1 Appliance (empty), 4 Tires, wood and lumber

-----**NO**-----

tires on rims. hazardous waste. garbage.
commercial waste or commercial tires (20" and above).
construction/remodeling debris
rental property waste or debris
mattress sets / refrigerator's

The Myrtle Creek Public Works Department, in cooperation with Local Myrtle Creek Businesses, will be offering City residents **free** transportation and disposal of unwanted items during this year's event.

To schedule a pick up for your address, you must contact City Hall (541-863-3171) prior to the day the event is scheduled for your area.

Please bag your yard waste and place it along with any other items to be disposed of next to the street in front of your home the day before your area is scheduled for pickup.
